## Collection of your Personal Information

WMJX collects personally identifiable information, such as your e-mail address, name, home or work address or telephone number. WMJX also collects anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

There is also information about your computer hardware and software that is automatically collected by WMJX. This information is used by WMJX for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the WMJX Web site.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through WMJX public message boards, this information may be collected and used by others. Note: WMJX does not read any of your private online communications.

WMJX encourages you to review the privacy statements of Web sites you choose to link to from WMJX so that you can understand how those Web sites collect, use and share your information. WMJX is not responsible for the privacy statements or other content on Web sites outside of the WMJX and WMJX family of Web sites.

## Use of your Personal Information

WMJX collects and uses your personal information to operate the WMJX Web site and deliver the services you have requested. WMJX also uses your personally identifiable information to inform you of other products or services available from WMJX and its affiliates. WMJX may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

WMJX does not sell, rent or lease its customer lists to third parties. WMJX may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, WMJX may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to WMJX, and they are required to maintain the confidentiality of your information.

WMJX does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

WMJX keeps track of the Web sites and pages our customers visit within WMJX, in order to determine what WMJX services are the most popular. This data is used to deliver customized content and advertising within WMJX to customers whose behavior indicates that they are interested in a particular subject area.

WMJX Web sites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on WMJX or the site; (b) protect and defend the rights or property of WMJX; and, (c) act under exigent circumstances to protect the personal safety of users of WMJX, or the public.

## Use of Cookies

The WMJX Web site uses "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize WMJX pages, or register with WMJX site or services, a cookie helps WMJX to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same WMJX Web site, the information you previously provided can be retrieved, so you can easily use the WMJX features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the WMJX services or Web sites you visit.

## Security of your Personal Information

WMJX uses commercially reasonable efforts to secure your personal information from unauthorized access, use or disclosure. WMJX secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other Web sites, it is protected through the use of industry-standard encryption, such as the Secure Socket Layer (SSL) protocol. Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, WMJX cannot ensure or warrant the security of any information you transmit to us, and you do so at your own risk.

### **Children**

WMJX does not solicit any personal information from children under the age of 13. WMJX encourages families to obtain additional information about safe use of the Internet at <http://www.ftc.gov/kidzprivacy/>.

WMJX encourages you to periodically review this Statement to be informed of how WMJX is protecting your information. Your continued use of the WMJX Web Site following the posting of any changes to this Statement constitutes acceptance of those changes.
